PROFILE

I am an aspiring Front-End Developer with a strong foundation in HTML, CSS, and JavaScript. I enjoy building responsive and visually appealing web applications. With hands-on project experience and a keen interest in UI/UX design, I aim to create intuitive digital experiences. Currently pursuing B.Tech in Computer Science, I am a quick learner passionate about building and growing in the tech world.

INTERNSHIP EXPERIENCE

Web Development Intern – SkillDzire
May 2025 – June 2025 | Remote

- Built responsive web pages using HTML, CSS, and JavaScript
- Collaborated with mentors to improve project design and code quality
- Created a portfolio website and quote generator app
- Gained practical knowledge of version control and GitHub

PROJECTS

Quote Generator Web App

- Built a dynamic quote generator using HTML, CSS, and JavaScript. Includes copy/share buttons.
- https://github.com/KPreethi45/quote-generator

Portfolio Website

- Designed and developed a personal portfolio showcasing projects, skills, and contact info.
- https://github.com/KPreethi45/portfolio
